The conversion will take place on the date on which the transaction is received and recorded by us ("posting date"). The currency conversion will be based on our prevailing foreign exchange rate or an exchange rate determined by Visa or Mastercard International depending on whether the conversion is done by us, Visa or Mastercard International.
- ii. In addition, the card transaction will be subject to the following administrative fees on the converted Singapore dollar amount. An administrative fee of up to 3.25% if processed by Visa or Mastercard International or such other rate(s) as determined by us and notified to you.

You acknowledge that we do not determine whether a card transaction will be converted into Singapore dollars via dynamic currency conversion and, where your card transaction is for a retail purchase, you may have to check with the relevant merchant whether such conversion was done.
- ii. In addition, the card transaction will be subject to an administrative fee of 1% levied by Visa/Mastercard International on the converted Singapore dollar amount if it is a Visa/Mastercard International transaction;

c. Singapore Dollars transactions processed outside Singapore

- ii. with a merchant who is registered as an overseas merchant regardless of its actual location, such card transaction will be subject to an administrative fee of 1% on the transaction amount if the card transaction is processed by Visa/Mastercard International.

This charge will be charged on card transactions including but not limited to any Visa or Mastercard retail card transaction presented in foreign currency that you choose to pay in Singapore Dollars at point-of-sale via dynamic currency conversion or any online Visa or Mastercard retail card transaction in Singapore Dollars which was processed outside Singapore.
